

FIDIC Awards Programme

1. Introduction

At the FIDIC Centenary Awards ceremony in Barcelona 2013, FIDIC was delighted to award trophies of excellence for projects and individuals having made a significant contribution over the last 100 years of its history. The FIDIC Executive Committee has agreed to continue presenting FIDIC Awards on an annual basis to recognise outstanding projects that support and promote FIDIC principles and practices.

The programme below outlines the aims of the FIDIC Awards, the nominations being sought, how they will be judged, and the outline programme for submission of nominations and judging of the nominees.

2. Aims of the Awards

The FIDIC Awards will:

- promote FIDIC principles: quality, integrity and sustainability
- celebrate outstanding engineering projects of FIDIC member firms
- help publicise the work of consulting engineering firms and the contribution they make to quality of life
- encourage others to understand and support FIDIC principles

The Awards will support the aims of the Federation which are to promote the use of international FIDIC best practice and resources to achieve quality projects that help world economies and communities to develop.

The FIDIC Awards will be presented every year at the international Gala Dinner that closes the FIDIC International Infrastructure Conference.

3. Award Nominations

Award nominations are open to everyone, and to projects of all types and all sizes. The nominees should be firms or groups of firms that belong to FIDIC Member Associations & Associates, or Affiliates. All submissions should be endorsed by FIDIC Member Associations or Associates based in the country where the project is located.

Project nominations, where appropriate, should demonstrate:

- innovation, quality, and professional excellence
- the principles of transparency and integrity
- sustainability and respect for the environment

Nominated projects should have been in operation for at least 1 year and should have been completed in the last 10 years.

The headline categories for these awards will be:

- FIDIC Outstanding Project of the Year
- FIDIC Award of Merit

The total number of prizes to be awarded will be at the judges' discretion.

4. Judges

The judging team will normally comprise:

- FIDIC Past Presidents, convened by the Immediate Past President

The judges will convene and rank the projects. All projects that are judged to be of particular merit will receive a FIDIC Award.

All shortlisted projects will be encouraged to display a poster presenting their projects at the FIDIC International Infrastructure Conference.

5. Outline Programme

Dates	Description
10 December 2013	Call for nominations
30 May 2014	Closing date for nominations
June 2014	Judging
July 2014	Announcement of shortlisted projects
September 2014	Awards presented (Rio de Janeiro, Brazil)
